here's
the answer

... to your writing problem!

NOW

TYPING can be noiseless . . . anytime . . . anywhere . . . with not even the click of a key to disturb your trend of thought.

Here is the answer to the thousands of demands for a typewriter with the *speed* of the Underwood Standard, the *light weight* of the Underwood Portable, and the *quiet* of the Underwood Noiseless. Here is the last word in typewriter perfection!

The new Underwood Noiseless 77 may be used as a desk or office machine . . . as a per-

sonal writing machine at home . . . or carried, when traveling, the same as a portable typewriter. It will speedily and noiselessly complete all your correspondence, notes and reports. It is light enough to be easily carried from place to place. It is an all purpose machine.

Just think of it! If necessary, you can place it in its handy, convenient case and take it home and do your writing in peaceful quiet... quiet that is friendly to you and to your neighbors. The next morning take it back to the office and it is ready, eager to begin a new day's work. This new kind of typewriter puts your thoughts into words *noiselessly* . . . you

or your secretary can write any time with the concentration that comes with *QUIET*.

Won't you let us show you this new kind of Underwood? Let us show you how quiet is the type-bar action and the movement of every lever and key. Notice its wonderfully light touch and its beautiful, evenly-colored work . . . no matter how your fingers strike the keys, all the characters are printed with the same even impression. Ask your Underwood Dealer or the local Underwood Branch Office to demonstrate the New Underwood Noiseless 77 . . . the typewriter that will enable you to enjoy *quiet* writing whenever and wherever you choose.

THE UNDERWOOD *NOISELESS 77*
