THINK of it! Brand new, fresh-from-the factory Remington No. 5's for a cash price only \$45—a new reduction of 25%. Plus our special easy payment plan. This price positively represents the best buy that can be made in portable typewriters.

It was this model which Commander Byrd took on his flights to the Poles—which Floyd Gibbons used in the sweltering stretches of the Sahara—which accompanied that intrepid group that dared the heights of Mt. Everest. Yes, whether in the shelter of the American home or the wildest regions of distant lands, there you will find this model Remington standing up and delivering as no other portable has ever done.

The Remington No. 5 is the most compact and durable portable ever built. This beautiful machine represents the height of economy—unequalled economy in first cost, unequalled economy in service. For, this Remington is built to give years and years of trouble-free, faithful performance.

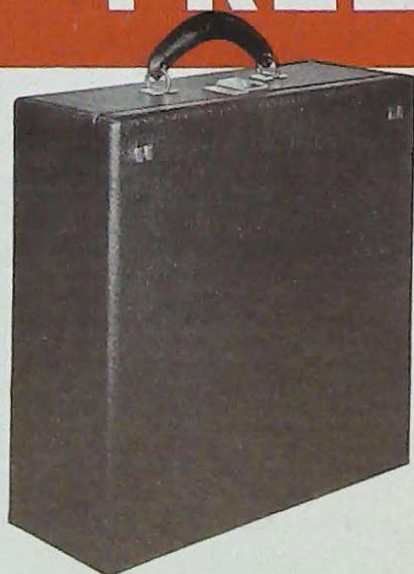

NOTE: Because of rapidly rising costs in labor and material we cannot guarantee this low cost indefinitely and therefore urge that you order at once, taking advantage of this truly great bargain.

Specifications of the Remington Portable Model 5

FREE CARRYING CASE

With every Remington No. 5, a free carrying case sturdily built of 3-ply wood. Covered with heavy DuPont fabric. Top is removed in one motion, leaving machine firmly attached to base. Can be used anywhere—on knees, in chairs, on trains.

FREE TYPING COURSE

When you get your new Remington No. 5, you will get with it—*absolutely* FREE—a 19-page course in typing. It teaches the Touch System, speeds up work. It is simply written and well illustrated. Instructions are easy as A.B.C. Even a child can understand this method. A little study and the average person, child or grown-up, becomes fascinated. Follow this course during the first 10 days that you have your typewriter. At the end of that time, you should be able to dash off letters faster than with pen and ink.

ENTHUSIASTIC owners say that the Model 1 is without question the finest standard portable ever built. Frankly, that is our own belief, but when the public says so, it must be so. It is the first real departure in portable manufacture. The action is entirely new and exclusively Remington. It results in a speed and vibrationless smoothness absolutely foreign to any other portable of standard design. And its scope is much greater than you would expect from a portable. It will do just about any writing task you require. It has every improvement, every refinement, every convenience besides patented Remington features. Truly, a trial of this great machine is a revelation. Finished in glistening black with chromium plated attachments. New, improved carrying case included. Weight in case, 16 lbs., 4 oz. Tabulator optional at small extra cost. Price \$60.00 cash. Easy terms.
